## Layout and Dimensions Scale 1:50

## General Description

The CS 28/36 and CS 28/61 Cold Stores offer flexible large capacity temperature controlled refrigeration storage. Ideal for those undertaking events, refurbishments or requiring additional space, these can be delivered set to run either as general purpose fridge or as freezer units. Equipped with hygienic 4 tier racks to maximise storage space and external plant to allow ease of temperature readings, these cabins are the easy solution to any civil or military demand for designated separate refrigeration rooms.
