

MPW 28/62 MEDIUM POTWASH

Layout and Dimensions

SCALE 1:50

General Description

The MPW 28/62 is a flexible facility for catering operations where the separation of pot and dishwashing areas is required. This unit was designed for use in conjunction with other cabins but it is equally suitable as an addition to an existing wash-up area or as temporary cover whilst other equipment is repaired, refurbished or replaced.

The cabin comes complete with a Sterilising sink, Tabling and 4 Tier Racking to maximise your capability for coping with all types of cleansing operations.

MPW 28/62 MEDIUM POTWASH
