

# DRY STORES

## Layout and Dimensions Scale 1:50

## General Description

The SS 28/38 and MS 28/62 Dry Stores offer flexible large capacity ambient storage capability. These containers are ideal for those undertaking events, refurbishments or requiring additional space, and they can be linked to your existing premises or to any of our kitchens or other cabins. Equipped with hygienic 4 tier racks to maximise storage capacity, these units are the easy solution to providing any civil or military demand for additional or designated stock specific storage areas.

## Equipment Specifications - Standard Layout

### SS 28/38:

4 Tier Racking / over 17m<sup>3</sup> (600cu.ft.) storage space
